ATELIER NORTH

Spaces for better days.

Workspaces and cultural buildings

Daylight. Tactile materials. Clear space.

Fictional studio and illustrative data. AI-generated imagery.

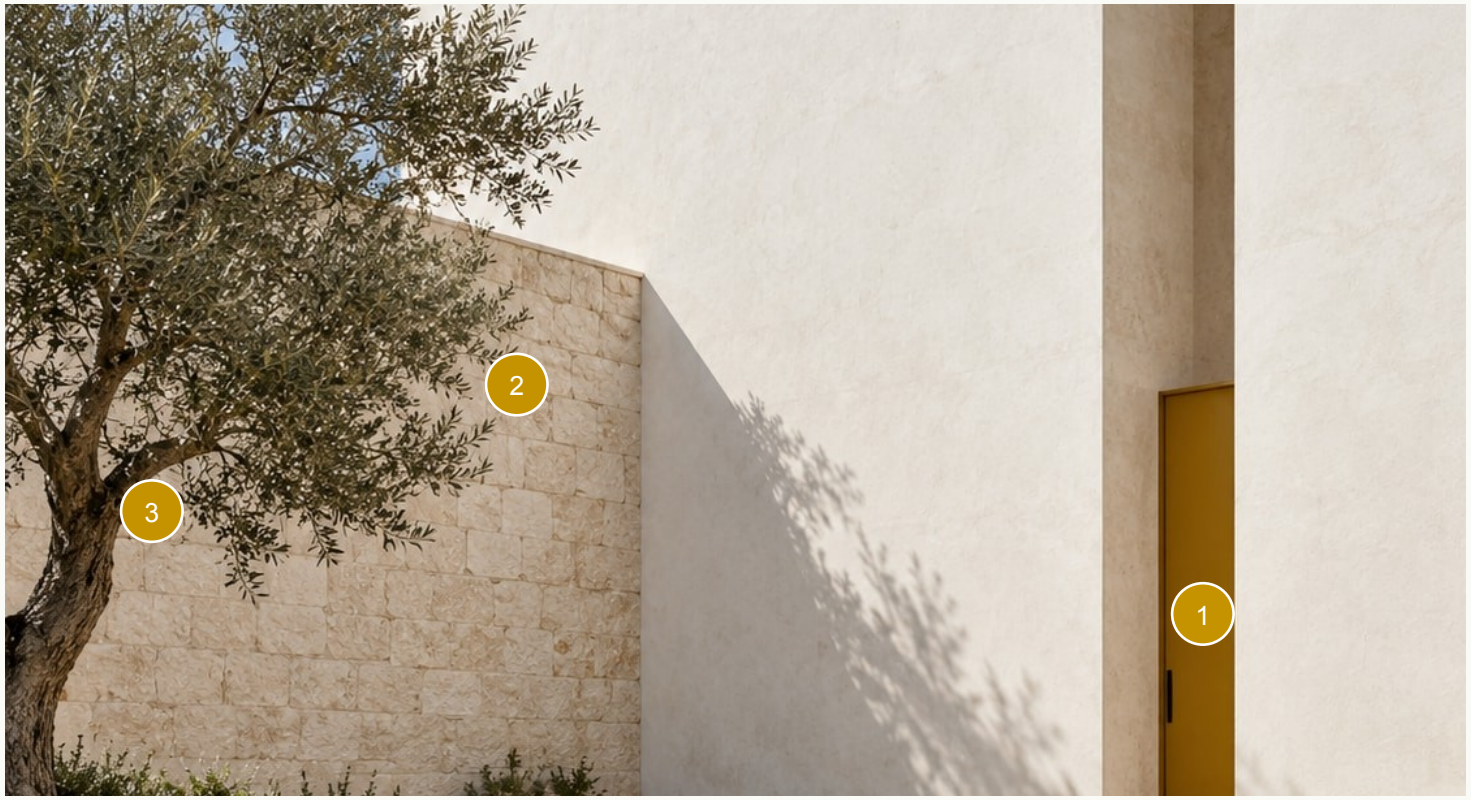

01

Design with room to breathe

A calm approach to the spaces we share.

MATERIAL AND LIGHT

The pavilion concept

01 A narrow yellow entrance

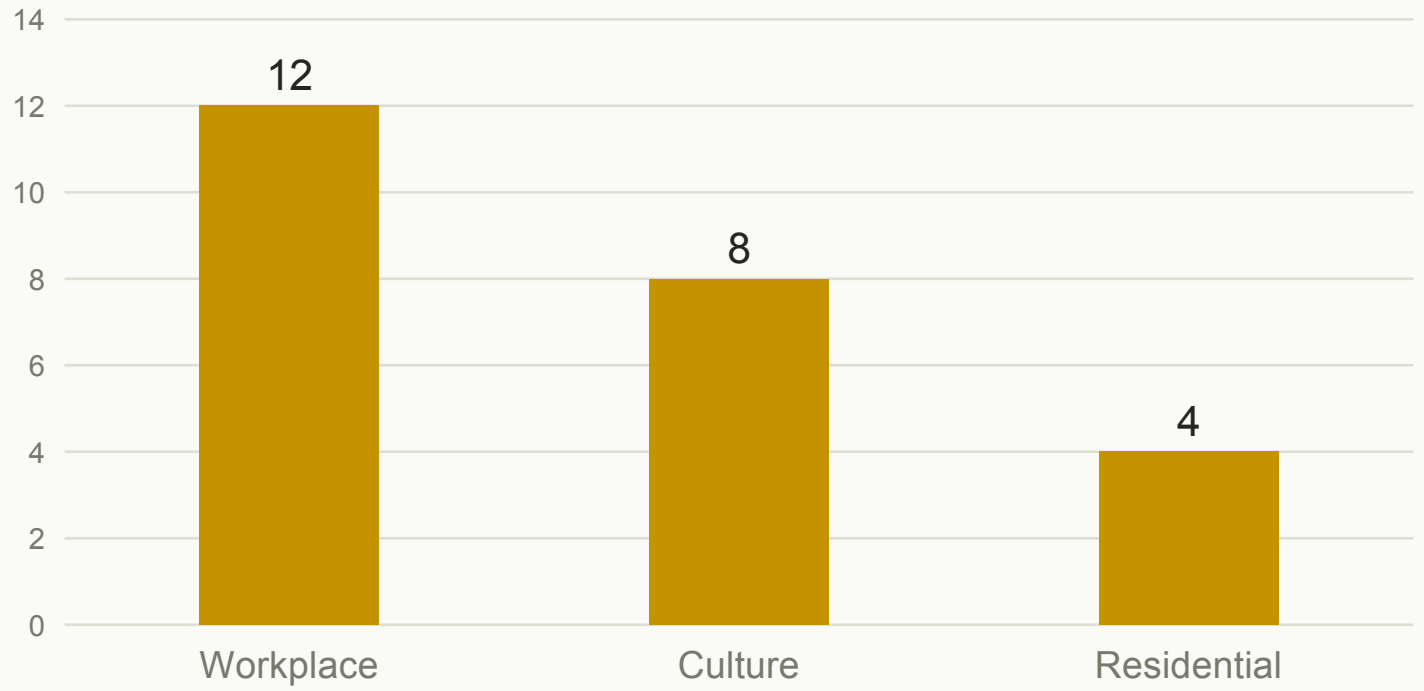

02 Pale limestone

03 Olive tree

Fictional concept. Images express design direction, not a completed building.

ILLUSTRATIVE PORTFOLIO

A portfolio across three settings

24 projects

Demonstration portfolio only. These counts are not business results.

OUR PROCESS

A clear process from the start

01

Discover

Clarify the brief.

02

Design

Test spatial ideas.

03

Develop

Resolve materials and details.

04

Deliver

Support the agreed handover.

No project duration or fee is specified.

STUDIO APPROACH

Daylight and material warmth

Daylight

Let natural light shape calm workspaces.

Tactile materials

Use carefully chosen surfaces to give spaces warmth.

A clear floor plan

Give people room to move and room to breathe.
